Here’s how Anthem, Inc. transformed a complex, black and white financial statement into a more engaging and informative member experience with our two key populations:

- Medicare Advantage health plan members
- Members of large and small employer group plans, as well as for individual members (those who do not have employer health coverage)
- This is a company-wide initiative to improve the experience and understanding for Anthem health plan members.

Both example documents that follow in this PDF are samples only. Actual Explanation of Benefits (EOB) examples include protected health information (PHI). The samples are just as the real documents appear, but include faux names and data.

Thank you for reviewing our entry!
Example 1: Medicare Advantage

The first sample for Medicare Advantage members features:

- A first “dashboard” page with important information at a glance
  - Financial highlights right up front
  - A callout if any claim was denied
  - A personalized care checklist
  - Personalized savings tips
- A second year-to-date summary page with updates on status against deductibles and out-of-pocket amounts
- Claims details with explanations
- Claims denials explained in plain language

Your share of the cost may be a copay or coinsurance or the amount you need to pay to meet the deductible, if you have one. You may need to pay all of the cost if a service is not covered, is denied for medical reasons or you have not yet met the deductible.

Medicare determines what it will cover and pay. All doctors and facilities that accept Medicare agree to these rates. Also, your plan has negotiated rates with doctors and facilities in your plan.

Doctors, hospitals and health care service providers choose what to charge. This is what you might pay if you did not have coverage.

**Savings tips**

A  Good job! You saved money by using a doctor or facility in your plan.

B  You should always go to the ER or call 911 if you think you’re in danger. For less serious needs, try urgent care. It could save you time and money.

---

**Denials explained**

* Denial reason code YAN: This claim was not paid because the service was performed by a doctor or health care professional who is not in the plan and did not get prior approval.
Have a complaint?

You have the right to make a complaint or appeal

Making an appeal is a formal way of asking us to change our decision about your coverage. You can appeal if we deny a claim. You can also appeal if we approve a claim but you disagree with how much you are paying for the item or service. To learn more, call us.

Things to know about your denied claim

We have denied all or part of one or more claims listed in this report. You have the right to appeal. Making an appeal is a formal way of asking us to change the decision we made to deny your claim. If we agree to change our decision, it means we will approve the claim rather than deny it, and we will pay our share.

The doctor or facility can also make an appeal, and if this happens, you may not have to pay. You may wish to contact them to find out if they will ask us for an appeal. If they properly ask for an appeal, you will not need to pay, except for the normal cost-sharing amount. And you don’t need to make an appeal yourself.

When we deny part or all of a claim, we send you a letter (“Notice of Denial of Payment”). It tells why the service or item is not covered. It also tells what to do if you want to appeal and have us reconsider. If you do not have this letter, call Customer Service.

Do your claims in this EOB look correct?

Yes

Great!

No

It may be a simple billing code or other error. Call your doctor or facility to ask.

Still have questions?

Call us.

1-855-690-7796

(TTY: 711)

Remember, this report is not a bill.

If you owe anything, your doctors and other health care providers will send you a bill.

See something odd?

If you notice something that might be dishonest billing, report it. Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY: 1-877-486-2048).
The benefit information provided is a brief summary, not a complete description, of benefits. For more information, contact the plan. Benefits, formulary, pharmacy network, provider network, premium, copayments and coinsurance may change each year.

Anthem Blue Cross and Blue Shield is an HMO plan with a Medicare contract. Enrollment in Anthem Blue Cross and Blue Shield depends on contract renewal. Example 2: Group health plan

The next sample is for Group and Individual health plan members. You’ll notice it mirrors the Medicare version. This is intentional to keep our looks similar and with the same features when possible so there’s less confusion and greater readability when our group and individual plan members age in to Medicare plans. It becomes seamless. This EOB also features:

- A first “dashboard” page with important information at a glance
  - Claims summary and what the family and each member may need to pay
  - Preventive care checklist for all covered members in the family
  - Tips and tools
- A second year-to-date summary page with updates on status against deductibles and out-of-pocket amounts, as well as definitions of key terms
- Claims details with explanations of the member’s cost
- Savings opportunities, including the name and address of the nearest urgent care centers
Don’t worry, this is not a bill.

Not happy? Here are your appeal rights.

Any time you pay for a portion of your care, you have the right to question whether we calculated it right. We call that your appeal rights.

Call us at 1-800-123-4567

- Get help understanding this notice.
- Talk through your portion and our portion of these service costs, including any denials.

If you think something should have been covered (in whole or in part), but it wasn’t, or it wasn’t covered in the way you think it should be — you can appeal it and we’ll take another look.

Here’s how you appeal a claim. Check your plan benefits for how long you have to file an appeal. Usually it’s within 180 days of when we told you our decision. You or someone acting for you can send us a note saying you want to appeal. You can do this by secure message on anthem.com. Make sure to select Grievances/Appeals as the subject of your message.

Or send us a note in the mail to:
Grievances and Appeals
P.O. Box 105568
Atlanta, GA 30348-5568

Be sure your appeal includes:
- Patient info: name, member ID, address, phone number, date of birth
- Claim info: date(s) of the service you’re appealing, your doctor’s name/address/phone number
- Any other info about your claim that you think is important

Do your claims in this document look correct?

Yes  No

Call us. 1-800-123-4567

Great!  Solved  No

Great!  Appeal the claim.

To ask for an expedited appeal or expedited review by someone outside our company — you, your doctor or someone acting for you can call the Member Services number on your ID Card.

Get more info on your claim — it’s free. Give us a call. You can get billing/diagnosis codes and their meanings, or any other info we used to decide your claim, any time.

If you appeal, we’ll review and give you a written decision within 20 business or 30 calendar days from the date we get your appeal request, whichever is sooner. Check your benefits booklet to see if it gives a different time limit. If you still don’t feel our response is right, or if you don’t hear back from us in time, you may be able to ask for a review from someone outside our company, an independent third party. Their decision is final.

Your health plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). Once you’ve used all your mandatory appeal rights, you have one year from our appeal decision to bring an action in federal court under section 502(a)(1)(B) of ERISA.
